Emigration from the United States.
We have received a circular from a "Venezuelan Emigration Company," detailing the advantages and setting forth the conditions of American emigration to Venezuela. The scheme is under the engineering supervision of a military officer, and is designed to be a sort of "colonization" of the South American continent. The company claims to have secured the services of a military officer, and is now in the process of organizing a large expedition to Venezuela. The company claims to have secured the services of a military officer, and is now in the process of organizing a large expedition to Venezuela.

The company claims to have secured the services of a military officer, and is now in the process of organizing a large expedition to Venezuela. The company claims to have secured the services of a military officer, and is now in the process of organizing a large expedition to Venezuela.

DR. LIGHTHILL,
From New York City.
"NEPHROTHERAPY, the New System of Treatment for Ulcers of the Throat and Lungs," a Popular Treatise on Catarrh, etc., etc.

Who singularly successful practice in New York has for a long time attracted the attention of the whole country, and who, for months past, has met with unbounded success in Cincinnati, in compliance with many urgent requests to visit Louisville,

Has Arrived Here, And taken rooms at the LOUISVILLE HOTEL, FOR A SHORT TIME.

DEAFNESS, Catarrh, DISCHARGES FROM THE EAR, ASTHMA, BRONCHITIS, And all diseases of the Ear, Throat, & Lungs.

In order to save unnecessary correspondence, notice is hereby given that a personal examination is necessary in every case before a correct opinion can be given, or the appropriate treatment prescribed. In the majority of cases the remedies can be applied at home, and an interview is therefore sufficient.

A WONDERFUL CURE. (From the Louisville Courier, Sept. 14.) We were called upon, on Saturday afternoon, by Mr. Peter T. Beatty, of Jeffersonville, Ind., who stated to us that he has been very deaf all his life—in fact he could not remember the time when his sense of hearing was not defective—and that on Tuesday last he was operated upon by Dr. Lighthill with such success that he can now hear perfectly. He is filled with gratitude toward his benefactor, and we fully agree with him that it is a most wonderful cure. We tested his organs of hearing thoroughly, and found that he could hear distinctly the faintest whisper.

CURE OF CATARRH. From A. H. Pounsford, Esq., of the firm of Applegate & Co., 15 Main street, Cincinnati. DEAR SIR: I take great pleasure in awarding to your skill as a physician the prompt, perfect, and complete cure of my daughter, who has been suffering for years with that dangerous malady CATARRH. From the first application of your remedies she began to improve, and, although under your care for a few weeks, is now restored to perfect health. The remarkable success you have had in her case prompts me to publicly acknowledge my indebtedness to your knowledge and skill. Yours truly, A. H. POUNSFORD.

CURE OF CATARRH. From Capt. Jas. T. Fisher. For the past five or six years, I have been afflicted with the distressing complaint in the head known as Catarrh. In addition to the profuse discharge and other disagreeable symptoms characteristic of the disease, it gave rise in my case to a distressing and almost constant pain in the head and between the eyes, and to frequent attacks of neuralgia, from which I could get no relief. A few months ago, I placed myself under the care of Dr. Lighthill, and now feel like a new man. My head feels clear and natural, I am free from the pain and distress from which I have suffered so much, and the neuralgia has disappeared. My experience justifies me fully in recommending Dr. Lighthill and his treatment to all those suffering from Catarrh. JAMES T. FISHER, 372 West Sixth st., Cincinnati, Ohio, August 4, 1866.

Information from Brenham, Texas, stated that at that place on the night of Sept. 12 there were two bands, one of negroes and one of whites. A party of Federal soldiers went to the negro ball and broke it up. They then went to the white ball and broke it up. The dancing and drinking ceased. The dancing place and the drinking place were asked to leave one of them knocking down one of the managers. Patrols were sent out there, fired and two soldiers were wounded.

This broke up the ball, but in the night the soldiers broke into the store of Crump and burned it. The store was full of goods. A fire was discovered which consumed that and an other store the largest stores in the town. The store was full of goods. A managing officer at Waco, Tex., wrote to Brenham to examine into the matter.

A dispatch from Houston says regarding the riot at Brenham, Tex., that the soldiers in attempting to enter the dancing saloon with negro wenches as partners at Brenham were resisted and one of their number killed.

INDEPENDENT, Sept. 12.

Andrew STUART, killed in the riot Monday night, was buried this afternoon with military ceremonies. The funeral procession was one of the largest ever witnessed here. The Union League passed resolutions last night to extend the funeral to the city of Washington. The funeral was in the procession, draped in mourning.

Washington, Sept. 12.

A meeting of committee from both branches of the City Council was held last evening for the purpose of making arrangements to receive the President upon his return to the city. The Finance Committee were also present from various associations of the District. Mayor Harrison presided. The committee addressed to the President, welcoming him home.

PHILADELPHIA, Sept. 12.

The funeral of Matthew W. Ballou was
